JOINT MOTION TO EXTEND DEADLINE FOR RESPONSES TO DISPOSITIVE MOTIONS

The Parties jointly request an additional seven (7) days in which to file their Responses to each other's dispositive motions [ECF Nos. 41–43], including Defendants' Response to Plaintiffs' Motion for Collateral Estoppel [ECF No. 42] (the "Dispositive Motions"). Under Western District Local Rule CV-7(d)(2), the Parties have fourteen (14) days in which to file Responses to the Dispositive Motions, which would make the deadline this Friday, August 16, 2024.

Because of the sheer volume of documents, exhibits and deposition excerpts utilized by both Parties in their Dispositive Motions, and the corresponding time it will take to analyze and prepare meaningful Responses, both Parties request that the Court allow an additional seven (7) days in which to file their Responses. This would make Responses due on or before Friday, August 23, 2024. The parties do not seek to modify any other deadlines; nor do they seek this extension for purposes of delay, but so that justice may be done.

Respectfully submitted,
